Istiak Ahamed

istiakahamed0401@gmail.com
Phone: 01608507433

Skills

Languages: C, C++, Python, JavaScript
Frameworks: Django
Library: React.js
Databases: MySQL

Achievements

- 11th in ICPC Dhaka Regional 2020.
- Participated in Google Code Jam, Meta Hacker Cup.
- Solved 3700+ problems on Codeforces, AtCoder, CodeChef.

Education

Dhaka University, Dhaka, Bangladesh   Graduated: June 2021
B.Sc. in Computer Science and Engineering (CSE)
Relevant Courses: Data Structures, Algorithms, Software Engineering

Experience

Junior Software Engineer, Enosis Solutions   February 2022 – Present

- Developed and maintained web applications using Django and MERN stack.
- Collaborated on system design and architectural decisions.
- Involved in code reviews, project deployments, and feature rollouts.

Software Engineering Intern, Solution Hub Technologies   June 2021–January 2022

- Assisted in developing frontend and backend features.
- Worked with senior developers on various client projects.
- Participated in debugging and testing to ensure product quality.

Projects

- **My R Book** (Django, React.js) – Developed a social media platform for book lovers with user authentication, personal profiles, and recommendation algorithms.
- **Pacman Console Game** (C++) – Created a classic Pacman game with custom levels and AI-driven ghosts using OOP principles.

Co-Curricular Activities

- **Programming Executive**, Dhaka University Computer Programming Club – Organized coding competitions and mentored students in competitive programming.
- **Competitive Programming Trainer**, Dhaka University – Trained junior students in algorithms and problem-solving techniques for competitive programming contests.
